

# B.K. Marine Ltd

**We are seeking skipper  
and crew following  
the arrival of our  
new workboat.**

**If you are interested  
you will have:**

- a keen sense of delivering customer satisfaction;
- a high priority on safety;
- appreciate keeping a clean and tidy environment;
- be happy to teach and train others;
- be flexible and adaptable to moving with work and people.

Suitable qualifications are sought and a proven track record of salmon site maintenance is an advantage, but training will be given. A shift system will be in operation.
